

Access

-From the E411 Namur-Luxembourg, exit Achêne. Direction Philippeville N97. Exit at Rosée, direction Corenne. At the traffic lights in Corenne, turn right and after the church (on your right), turn left towards Biesmerée. After about 3 km, turn right into rue de Behoute.

-From Mettet, follow signs for Biesmerée. Then follow signs for Corenne. About 2 km after leaving the village of Biesmerée, turn left onto rue de Behoute.

Once you have passed the Behoute farm on your left, follow the gravel path for 200m. You can see the gîte and its ponds on your right.

A bit of history...

A few centuries ago, the monks created the ponds, in the 19th century a small ranger's house, in the 20th a fish farm and finally, around forty years ago, an esociculture or pike farm for the purity of the water.
