

CONTEMPORARY GUESTHOUSE SURROUNDED BY 10 PONDS

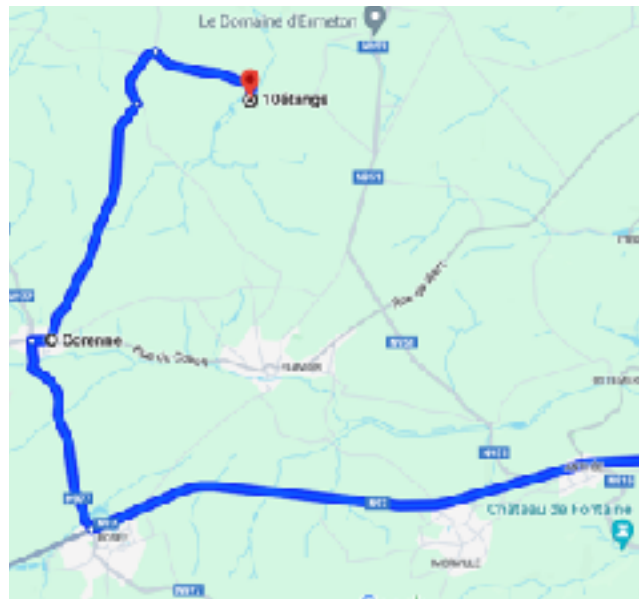

A long pontoon invites you to swim in the pure water fed by numerous springs on the property.

Ducks, frogs, birds, herons, deers and foxes will immerse you in a world of sights and sounds.

This unique 6-hectare haven in unspoilt nature is shared exclusively with the owners!

Route

From the E411 (Dinant exit)

-From the E411 Namur-Luxembourg, exit Achêne.

Take the N97 towards Philippeville. Exit at Rosée, direction Corenne. In Corenne, turn right at the traffic lights and, after the church (on your right), turn left towards Biesmerée. After about 3 km, turn right into rue de Behoute.

Coming from Mettet

-From the Mettet circuit, head towards Annevoie (N932) and after 300m turn right towards Biesmerée. Go through Biesmerée, leaving the church on your right, and continue straight on towards Corenne.

Approximately 2 km after leaving the village of Biesmerée, turn left into rue de Behoute.

After passing the Behoute farm on your left, follow a gravel path for 200m. You will see the gîte and its ponds on your right.

A bit of history

A few centuries ago, monks created the ponds. In the 19th century, a small ranger's house was built, followed by a fish farm in the 20th century. Finally, around forty years ago, a pike farm was established because of the purity of the water.
